P.O.BOX 815  
KINGS BEACH, CA 96143**

To Whom It May Concern:

In accordance with the Fair Housing Law, in allowing for reasonable accommodation for a service dog, a Home Owners Association (HOA) may ask for documentation that the person has a disability (if it's not obvious) and that there is a disability-related need for the dog. Documentation requires a signed letter from a health care professional.

Please provide written confirmation that the undersigned has a medical disability requiring the assistance of a service dog.

It is illegal under the California Penal Code 365.7 to make a false claim regarding a service dog.

The undersigned hereby consents to the disclosure of my medical condition requiring a service animal to the Kingswood Village Property Owners Association.

In addition to the aforementioned stipulations regarding a service dog residing at Kingswood Village, please provide documentation from a certified dog trainer that the dog has been trained as a service dog for whatever type of disability that the owner may have.
